Q1) I am happy to see a Locum Doctor if my problem is urgent?

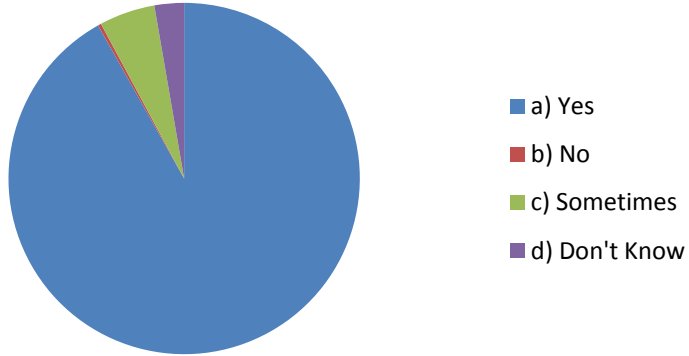

Q2) I am happy to see a Registrar (a qualified doctor who is training in a general practice)?

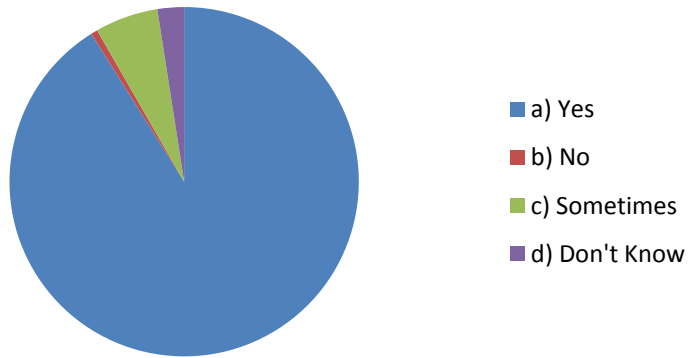

Q3) I am happy to see a Medical Student as long as I am then assessed by a qualified doctor?

Q4) The treatment from the Practice Doctor is always of a high standard?

Q5) The attitude from the Practice Doctor is always sympathetic and caring?

Q6) After appointment with the Doctor, I am clear about the diagnosis and possible treatments?
